

# EuCAN Community Interest Company CONSERVATION WORKING HOLIDAY ESTONIA June 4th - 15th 2016

Capercaillies. Photos: Richard Bartz & Marko Kohv

We are putting together a team of reasonably fit and adventurous volunteers to help the Estonian Fund for Nature (ELF) carry out surveys of the stunning Capercaillie in a protected area of forest and mires. We will be working for 6 days, walking transects through the forest, and having four days for exploring the wildlife, history and culture of the country. The work area will be the Altaguse Forest and mire complex in the NE of the country. We will be staying in a guesthouse just outside the village of Tudulinna. **Will you join us?**

This visit is partly funded by ELF and partly by EuCAN, and will cost each participant £325 (assuming group size of 15), excluding travel costs to Estonia.

For more info about this wonderful opportunity and for a booking form, go to [www.eucan.org.uk](http://www.eucan.org.uk) , for details of the accommodation, see <http://matsutalu.eu/index.php?id=10615> and for further information about the ELF, see <http://www.elfond.ee/>
