

EuCAN Community Interest Company

Please help us to raise funds for two important projects in 2012

Romanian Hay Meadows Biodiversity Project

TARGET: £7000

We aim to send a group of young trainees and professionals to carry out surveys in the haymeadows of Transylvania this summer to gather biodiversity information for our partners to enable them to apply for agri-environment grants for the small-scale farmers and so help to preserve the fragile and incredibly rich ecosystems that exist there. The funds will pay for our rail fares and food costs.

The South Dorset Community Conservation Team

TARGET: £10,000

We aim to set up a programme of 30 practical conservation workdays and training sessions for a team of adults with learning disabilities, working with local volunteers on nature reserves, school wildlife areas and other local sites in the south Dorset area, with great health benefits all round and a substantial amount of habitat management achieved.

GET INVOLVED WITH EUKAN! Help us with one of our projects or with admin or fund-raising work. Make a donation, set up your own fund-raising scheme for EuCAN CIC, join as a member - for further information email: nigelspring@yahoo.co.uk, phone 01963.23559, or visit the website: www.eucan.org.uk for further information.

EuCAN Community Interest Company The European Conservation Action Network *Community conservation projects and training in the U.K. and with partners in Europe* www.eucan.org.uk

EuCAN is a Community Interest Company (CIC) working in the UK and other countries of Europe to involve more people and communities in the conservation management of their local environment, by providing training and practical experience for young graduates, potential volunteers and therapeutic groups, in nature conservation and in sustainable land management and food production enterprises.

Since 2007, The European Conservation Action Network has set up 23 different two-week placements and enabled nearly 300 volunteers to visit 11 partner organisations in the EU and since 2011, has established a number of conservation projects and training courses in the UK.

EuCAN C.I.C. can offer

- * Opportunities to take part in practical conservation tasks and biodiversity surveys with our European partners.
- * Training courses in identification and ecological field skills.
- * Projects in countryside management as green therapy for young people in recovery from mental illness
- * Initiatives to attract a wider range of people into nature conservation as volunteers.
- * Teams to undertake habitat management contracts.

EuCAN CIC is registered in England and Wales as a Community Interest Company limited by guarantee. Registered Company no. 7513162.

Registered Office: 346, Mundens Lane, Alweston, Sherborne, Dorset DT9 5HU.
