# EuCAN in the U.K.

**Our contract work in habitat management provides our teams with training and experience**

**Practical work on wildlife sites provides very valuable 'green therapy'**

**Training courses for young graduates and potential volunteers**

# EuCAN in Europe

**Since 2007, we have taken over 300 volunteers to work on wildlife sites with 11 partner groups in 7 EU countries. Much of this has been supported by the Leonardo da Vinci strand of the EU Lifelong Learning Programme but we are now looking for further funding to continue this important work.**

**Biodiversity surveying**

**Practical habitat management**

**Cultural integration**
